

Civic Trust Awards

Corporate Membership 2010/11

INTRODUCTION

The Civic Trust Awards was established in 1959 to recognise the very best in architecture, urban design, landscape and public art. Awards are given to projects of the highest quality design, but only if they are judged to have made a positive cultural, social or economic contribution to the local community. The Civic Trust Awards is independent, impartial and above all, retains an emphasis of rewarding projects which demonstrate positive environmental and community impact.

As a not-for-profit organisation, our Corporate Members support the delivery of the scheme and the valuable work of our volunteer assessors.

Whether your interest lies in supporting a scheme that promotes design excellence, regeneration, or contributing to the success of local communities, your Corporate Membership is extremely valuable to the work of the Civic Trust Awards. Your membership will demonstrate your commitment to promoting better places where people can live, work and relax.
