

Civic Trust Awards

Local Authority Membership 2011/12

INTRODUCTION

The Civic Trust Awards was established in 1959 to recognise the very best in architecture, urban design, landscape and public art. Awards are given to projects of the highest quality design, but only if they are judged to have made a positive cultural, social or economic contribution to the local community. The Civic Trust Awards is independent, impartial and above all, retains an emphasis of rewarding projects which demonstrate positive environmental and community impact.

As a not-for-profit organisation, our Local Authority Members are important to us and help support the delivery of the scheme and the valuable work of our volunteer assessors who donate thousands of hours to the Awards each year.

Whether your interest lies in supporting an ethos of design excellence, regeneration, or contributing to the success of local communities, your support is extremely valuable to the work of the Civic Trust Awards. Your membership will demonstrate your Authority's commitment to promoting better places where people can live, work and relax.
