

## Civic Trust Awards, Pro-Tem & AABC Conservation Awards

### 2017 National & International Winners

This year 247 applications were received and each entry was assessed against our criteria for a Civic Trust Award, Pro-Tem Civic Trust Award or AABC Conservation Award. Following the second stage assessment, 53 projects have been successful at a National/International level and will receive an Award or Commendation.

In addition, five Special Awards will be presented to projects that have demonstrated outstanding credentials in specific areas. The Special Awards are:

- **National Panel Special Award:** selected by National Panel members as their favourite scheme from this year's Award winning projects
- **Special Award for Sustainability:** sponsored by Derwent London and presented to a project that demonstrates excellent sustainability credentials in terms of overall design parameters, material selection, construction methods and long term energy consumption.
- **Selwyn Goldsmith Award for Universal Design** sponsored by **Queen Elizabeth Olympic Park:** in recognition of architect and founding figure of universal design, Selwyn Goldsmith
- **Special Award for Community Impact and Engagement:** presented to a scheme that has demonstrated how successful community engagement can help deliver the highest standards of design whilst meeting the needs of local people.
- **Pro Tem Special Award:** presented to an exemplar temporary building, structure or place

The final level of award recognition will be revealed at the 58<sup>th</sup> Annual Civic Trust Awards Ceremony, held on Friday 10<sup>th</sup> March 2017 at The Guildhall Winchester, supported by Winchester City Council.
