Selwyn Goldsmith Awards for Universal Design

2018 National & International Winners

From 234 applications, 60 National and International Winners will be presented with an Award or Commendation at the 59th Annual Civic Trust Awards Ceremony, which will be held at the iconic venue of Old Trafford, the home of Manchester United from 6.30pm on Friday 9th March 2018.

In addition, **3 Special Awards** will be presented to projects that have demonstrated outstanding credentials in specific areas.

The Special Awards are:

- **National Panel Special Award:** selected by National Panel members as their favourite scheme from this year's Award winning projects
- **Special Award for Sustainability:** sponsored by *Derwent London* and presented to a project that demonstrates excellent sustainability credentials in terms of overall design parameters, material selection, construction methods and long term energy consumption.
- **Special Award for Community Impact and Engagement:** presented to a scheme that has demonstrated how successful community engagement can help deliver the highest standards of design whilst meeting the needs of local people.

The winning recipient of the **Selwyn Goldsmith Award for Universal Design** sponsored by *Global Disability Innovation Hub* in recognition of architect and founding figure of universal design, Selwyn Goldsmith, will also be revealed.
