

2023 Civic Trust Awards: Regional Finalists

The Civic Trust Awards scheme was established in 1959 to recognise outstanding architecture, planning and design in the built environment.

The Civic Trust Awards is not just about rewarding architecture or design excellence. We strongly believe that successful projects should also exhibit strong sustainability credentials, a high level of accessible and universal design, whilst also demonstrating how the project has provided a positive civic contribution.

2023 Selwyn Goldsmith Awards for Universal Design: Regional Finalists

Established in 2011, the Selwyn Goldsmith Awards for Universal Design is delivered in parallel with the Civic Trust Awards application process. Universal Design is about ensuring that places work for all people, no matter your age, ethnicity, gender or ability.

The Selwyn Goldsmith Awards seek to promote and applaud places that are responsive, flexible, welcoming, easy to use and occupy; allowing all to use with dignity and equality.

SCHEME	LA	REGION	APPLICANT/ARCHITECT
